- July Meeting Schedule:** The first Wednesday in July is July 4 – a different meeting date for the first Selectmen's Meeting of the month should be found. I recommend the Board alter the July Meeting Schedule to be the second and fourth Wednesdays instead of the first and the third. I also recommend the Board establish a meeting time to review applications for the Position of Police Chief (recommend 3:00 PM Tuesday, July 3).

7. **Snowmobile Program & Permanent Northbound Trail:** The Town has an opportunity to enter into an agreement with a private sector contractor to run the snowmobile trail grooming program beginning immediately. Also, the Moosehead Riders Snowmobile Club (MRSC) have requested the Town’s assistance in developing a permanent, multi-use trail north and east of Greenville. The Greenville Snowmobile Trail Grooming Committee will take these matters up at their meeting early this week – their recommendations will be shared with the Board at this meeting.

8. **Intervener Status – Plum Creek Plan:** The Land Use Regulatory Commission (LURC) has a deadline approaching for parties to apply for “Intervener Status” in the Plum Creek Resource Plan. This status does not commit a party to being in favor or in opposition to the plan: it does allow a party with this status to comment on the project at multiple times throughout the process, and to clarify the record as necessary. I have attached a letter from the Greenville Economic Council, recommending that the Town seek such status. I agree with this recommendation.
