Presentation by Meg Calloway on Community Health Initiative:** Meg is working with a group to conduct a series of meetings across Piscataquis County to help learn about current health issues facing communities. Her group has scheduled a meeting for 6:00 PM Wednesday, July 9, 2014 in our meeting hall to solicit comments from community members. An example of a community health issue might be the need for an assisted living facility which bridges the gap between the nursing home and living on one's own. Another might be the lack of adequate child care services in our community. Meg would like to address the Board of Selectmen and further explain this project.
- 6. Recreation Center Update:** Recreation Director Sally Tornquist and Town Manager John Simko have met with the Town's insurance carrier's loss control consultant regarding the space planned for use as a Recreation Center at Leisure Life Lodge (where the former fitness center was located). We'll update the Board on this project and next steps.
