The Public Hearing for this project was held Thursday, July 26, 2007 at the Greenville Municipal Building Meeting Hall. Although limited in participants, we had a productive discussion about how to go forward to develop a fundable strategy for imp[roving access to DSL Broadband Internet. The application is due August 3, 2007, and is being prepared by Thomas Kittredge of the PCEDC. I recommend the Board authorize the Town Manager to sign whatever documents are necessary to move forward on this project.
