3. Transfer of Airport Hangar Lot: As per the attached letter from current Airport Hangar lot owner Mike Theriault, he would like to transfer his interest in this lot to Malcolm Kirkbride of Greenville. Such transfers have been allowed in the past and require a re-signing of the lease by the Selectmen and the new owner. In this case, the new owner will be so advised that he has to complete construction of the hangar by 12-31-07 or pay a fee of \$550 toward the local share of the taxiway paving project and then have until 12-31-08 to build. These are the same requirements all hangar owners in this section have to meet.

4. Appointments to Greenville Schools Regional Planning Committee (RPC): The Board of Selectmen is required to appoint one of its member or its designee (e.g., Town Manager) to the Regional Planning Committee (RPC) which will join a school committee member and a community member (also to be appointed by the Board of Selectmen) to serve as the delegation for purposes of negotiating participation in a new school district. A recent letter to the editor in the Moosehead Messenger served to solicit nominations of community members to this committee – as of this draft, two well-qualified candidates have expressed interest. Both of these positions should be appointed at this meeting, preferably with alternates named as well.
