### **Opening of the Workshop and Welcome to Legislators:**

The purpose of this joint workshop meeting is to meet with Greenville's legislative delegation (State Senator Paul Davis, State Representative Paul Stearns) and discuss legislative efforts to increase state funding for the Greenville Schools, which is a "Minimum Subsidy Receiver". As such, the only subsidy that Greenville receives is 30% of special education costs, which translates to approximately 3% of Greenville's FY15-16 budget.

There is legislation which has been presented for the coming session which would increase the quotient of funds received by schools like Greenville (minimum subsidy receivers) but there are other possible remedies which should be explored with our legislators.
