4. Public Comment Period:

5. Solid Waste Contracts: Sean Bolen, President for Moosehead Rubbish, and Town Manager John Simko have met to review the draft contracts which were circulated at a previous Selectmen's Meeting. Sean has suggested several changes to the contracts which will be presented at the meeting. If agreement can be reached, the Board may be ready to sign and execute the contracts for trash collection, trash hauling, and recycling center services.

6. Snowmobile Trail Program: MRSC President John Cobb will be at the meeting to update the Board of Selectmen on on-going efforts to secure a northbound snowmobile trail on the east side of the lake. Town Manager John Simko will also brief the Board on legal options for securing permanent access for a trail in different locations. Also, the 2014-2015 snowmobile trail grooming contract between the Club and the Town has been drafted and is ready for consideration by the Board of Selectmen. Finally, President John Cobb would like to present the keys to a used snowmobile to Greenville Fire Chief Matt St. Laurent: the club is updating a machine and is donating the old one to the fire department for response to snowmobile accidents.

7. Update on Greenville Fire Department: Fire Chief Matt St. Laurent would like to update the Board of Selectmen on operations at the Fire Department, and schedule a walk-through of the fire station with the Selectmen.

8. Workshop with School Committee: The Board of Selectmen and the School Committee met earlier this Fall to discuss how to better work together. At that meeting, both groups agreed to next meet in December. The Board of Selectmen may want to schedule a meeting date for another workshop with the School Committee to continue working together.

9. Holiday Schedule: The Board of Selectmen may wish to adjust the hours of operation for the Town Office around Christmas this year, which falls on a Thursday. The staff would prefer to work a full day Christmas Eve and have the Friday after Christmas off. Town Manager recommends this as compensatory time for extra duties this summer and Fall, and will have details for the Selectmen's consideration.
