6. LURC Hearings for Plum Creek: The formal public hearings for this project are slated for the month of December (see attached memo from Aga Pinette at LURC). As the Town is an intervener for LURC's consideration of Plum Creek's Resource Plan for the Moosehead Lake Region, I will be representing the Town at each of these meetings, and will be cross-examined multiple times as a witness in this process. At the same time, Plum Creek has revised parts of its plan in response to state agency concerns. I recommend the Board of Selectmen invite Luke Muzzy to brief the Board of Selectmen and Town Manager on these changes at the next meeting, and for the Board to have a discussion about this plan and to consider its impact on the community and economy (both positive and negative).
